

Gift Acceptance Policy

Illinois Right to Life actively solicits gifts and grants to further the mission of the organization.

The following outlines our Gift Acceptance Policy.

We consider many things when making decisions about our organization's funding. First and foremost, we contemplate how each gift we solicit and accept supports our organization's mission to turn Illinois pro-life, one heart at a time. The values of Illinois Right to Life are never compromised while soliciting or accepting gifts. Only gifts from donors whose intent is compatible with that of Illinois Right to Life will be accepted.

Throughout our gift soliciting and accepting process, Illinois Right to Life always conducts operations in a manner that keeps our philanthropic mission first and foremost. With integrity and honesty at the focal point of our operations, we are obliged to safeguard the public trust.

All decisions to solicit and accept gifts will be made by the Gift Acceptance Committee, which includes the Executive Director. Gift communications are handled in an effective and timely manner.
