

Project Love's 13th Annual RISE AND DINE BREAKFAST

Dear Friend,

For over 26 years, Illinois Right to Life's Project Love program has provided hope to pregnant mothers and young families who, otherwise, might have none.

Project Love is a 501(c)3 charitable program of Illinois Right to Life and a critical resource for pregnancy centers across the state. If a center sees that a client with considerable financial need is a candidate for a Project Love grant, she'll be guided through the thorough application process that works to ensure all applicants are truly in a state of crisis. Once a woman's application is accepted and approved, a check will be written directly to the woman's creditor.

Today, we ask you to support Project Love as we continue to help mothers and families in need throughout Illinois by sponsoring our Rise & Dine Breakfast.

The Project Love Rise & Dine Breakfast helps fund Project Love's grants throughout the year. As economic challenges have continued to grow, so have the number of Project Love grant requests. Your support will help us as we continue to help mothers and families across our state!

We anticipate approximately 250 guests. The following sponsorships are available:
